Play School began production on 18 July 1966 (three years before Sesame Street), and was based on a British programme of the same name. The first episode began transmitting that day, as the programme went out live. It has been produced continuously from this time. It has also launched the careers of several Australian actors and television presenters.

Play School (Australian TV series) - Wikipedia

Women could continue to be paid less than men for the next 50 years unless significant changes are made, a Government agency has warned. If true, this means a young woman entering the workforce ...

Marine turtles have roamed the world's oceans for more than 100 million years, and are an integral part of our tropical coastal ecosystems. It's taken humans just 200 years to tip the scales against their survival and these ancient mariners are now considered endangered or vulnerable.

Green turtle - WWF-Australia

Whatever the age of this material might prove to be, it seems to point to an important if unrecognized anthropological and cultural phenomenon - the almost ubiquitous shaman-like bird-human figure characterizing the "rock art" at this site, remarkably consistent in its arrangement of readily identifiable sub-components. . Strangely, this figure incorporates iconography quite evident in modern ...

Day's Knob - Portable Rock Art / Figure Stones

Australia has been 'thunderstuck' with new AC/DC coins. The Royal Australian Mint has produced 30,000 AC/DC 50c coins and 10,000 \$5 coins but they will not be circulated. A \$10 AC/DC coin has ...
