The cuisine of the Southwestern United States is food styled after the rustic cooking of the region. It

comprises a fusion of recipes for things that might have been eaten by Spanish colonial settlers, cowboys, Native Americans, and Mexicans throughout the post-Columbian era; there is, however, a great diversity in this kind of cuisine throughout the Southwestern states.

Beet cake (aka Chocolate beet cake) A few weeks ago we published our notes on Red Devils Food Cake (what makes it red) and a reader responded "the beets!" Our survey of recipes published in historic newspapers and cookbooks confirms WWII-era cake recipes sometimes substituted beet sugar for rationed white granules.
