Business Leather Bag

A structured version of our Classic Leather Tote made using Italian leather and microsuede lining that is bonded together to create a clean, architectural aesthetic. This double-face construction reinforces an elegant shape, finished with hand-applied edge paint and subtly contrasting lining.

The oldest known purse dates back more than 5000 years, and was a pouch worn by a man, Ötzi the Iceman. Men once carried coin purses. In early Modern Europe, when women's fashions moved in the direction of using small ornamental purses, which evolved into handbags, men's fashions were moving in another direction.
