A catalectic line is a metrically incomplete line of verse, lacking a syllable at the end or ending with an incomplete foot.One form of catalexis is headlessness, where the unstressed syllable is dropped from the beginning of the line.. Making a meter catalectic can drastically change the feeling of the poem, and catalexis is often used to achieve a certain effect.

"Success is peace of mind which is a direct result of self-satisfaction in knowing you did your best to become the best you are capable of becoming." John Wooden coined his own definition of success. By the standards of the Basketball Hall of Fame, his own success was unprecedented. He was the first person in history to be enshrined there twice, once as a player for Purdue University, and ...
