Chicano Novels And The Politics

Chicano literature, or Mexican-American literature, refers to literature written by Chicanos in the United States. Although its origins can be traced back to the sixteenth century, the bulk of Chicano literature dates from after the 1848 United States annexation of large parts of Mexico in the wake of the Mexican-American War. Today, this genre includes a vibrant and diverse set of narratives ...

Very few things could lure me out of the fugue-state of finishing a novel, but a note that I received yesterday from a reader sent me into full-on rant mode: I just finished reading *The Hundred Thousand Kingdoms*, and I enjoyed it a lot. I was confused, though, to see that my library had chosen [...]
