Embalming History Theory And Practice Fifth Edition ...

Embalming: History, Theory and Practice A review of the latest edition of Robert Mayer's definitive work. One of the differences used to distinguish "technicians" from "professionals" is that the latter possess a greater depth of knowledge about their chosen specialty.

Embalming: History, Theory, and Practice by Mayer, Robert ...

Embalming has a very long and cross-cultural history, with many cultures giving the embalming processes a greater religious meaning. Embalming is distinct from taxidermy. Embalming preserves the human body intact, whereas taxidermy is the recreation of an animal's form often using only the creature's skin mounted on an anatomical form.
