The Movie Director Michael Gordon recovered from his persona non grata status after Hollywood blacklisted him during the anti-communist hysteria of the 1950s to make the frothy romance-comedy Pillow Talk in 1959 followed by this movie, Portrait In Black, a very different, neo-noir film of murder, suspense and intrigue. Glossy sets, a fashionista leading lady and San Francisco itself, rendered ...

The Black family traces its origin back to the Middle Ages. They claim to have entirely magical ancestry, but as Sirius Black informed his godson Harry Potter, no true pure-blood families existed by the twentieth century. The pure-blood families like the Blacks simply removed Muggles and Squibs from their family trees.. The Blacks place a great importance on blood purity, considering ...
