Phoenix 2019 Bianchi. Bianchi at the Phoenix meeting will consist of the 'standard' four elements - Barricades, Mover, Plates and Practical however the Practical match will be modified to cater for the Butt Zero range and space availability we have available to us. The past two or three seasons had seen the USM run instead of a practical match.

Shooting as Euthanasia Note: Before implementing any Euthanasia procedure be sure to read the Euthanasia Procedure. Use: Shooting can be the most painless and is sometimes the only available method to humanely dispose of an animal. However, a number of factors need to be considered prior to the discharge of firearms:

A sawed-off shotgun (US, CAN) also called a sawn-off shotgun (UK, IRL, AU, NZ) and a short-barreled shotgun (SBS) (U.S. legislative terminology), is a type of shotgun with a shorter gun barrel—typically under 18 inches—and often a shortened or absent stock. Despite the colloquial term, barrels do not, strictly speaking, have to be shortened with a saw.
