Geographical and historical background. Tasmania is an island and since the time of European colonisation by the British, the population had been entirely reliant upon the sea for all physical contact with the outside world, until the development of links by air.. Since European discovery in 1642 by the Dutch navigator Abel Tasman, many explorers and many vessels visited Tasmania, or Tasmania ...

Historique. L'engin de débarquement amphibie rapide est le résultat d'un concours lancé en 2000 par la Délégation générale pour l'Armement, visant réfléchir à un nouveau chaland de débarquement, mais abandonné en 2003. C'est alors que les Constructions navales et industrielles de la Méditerranée décident de le réaliser sur fonds propres.

The history of this particular 'Thompson' shipbuilding enterprise seems to be relatively simple. Simple at least compared to the history of the business commenced earlier by Robert Thompson's father (Robert Thompson 1797/1860) & yet another, I believe different 'Thompson' yard whose origins so far escape me. Published words often include references to all of the many Thompson's & separating ...
