In April 2018 Earjerk started a thread in the Discogs Database Forum asking Contributors to list their noteworthy or curious additions to the database: "Post your interesting new additions to the database here..." Here's the best of the bunch from December 2018. Next time you add something weird, wonderful, rare or noteworthy in any way, share it in that forum thread for all to see.

Bizarre Releases Added to Discogs in December 2018 ...

Achieving fitness and working out does not mean an hour or two on the treadmill every day, and it doesn't mean marathon weight training. The key to achieving and maintaining fitness is keeping training and workouts fun, challenging, and varied.

As we stated in the introduction, if you are allergic to any of the ingredients - caffeine perhaps, which is not unusual - then this is not for you, so check the label carefully again and make sure you are aware of what you are allergic to. ... Legwork is an independent resource, providing all the latest fitness & health, cycling, workouts ...

4 Gauge Pre-Workout Supplement Review - Legwork

Introduction to Fitness The Dawn of Fitness! In ancient times, there were no motorized treadmills, elliptical machines, or exercise bikes. Nor were there any free weights or weight machines for that matter. But does that mean people were out of shape? Of course not. Instead, fitness was a way of life - it was survival.
