Level - Wikipedia

Level design or environment design is a discipline of game development involving creation of video game levels—locales, stages, or missions. This is commonly done using a level editor, a game development software designed for building levels; however, some games feature built-in level editing tools. Level design is both an artistic and technical process.

Level (video gaming) - Wikipedia

Starting at \$15 for select games and available for every 2019 regular season home game, the Pinstripe Pass ticket is a general admission standing room only ticket which also includes one drink (choices include a 12 oz. domestic beer for those age 21 and over with valid ID, a Pepsi product or a bottle of Poland Spring water).
