An island or isle is any piece of sub-continental land that is surrounded by water. Very small islands such as emergent land features on atolls can be called islets, skerries, cays or keys. An island in a river or a lake island may be called an eyot or ait, and a small island off the coast may be called a holm. A grouping of geographically or geologically related islands is called an ...

Hello busy busy busy summer! So much has happened this month. Between us going to Tucson to visit my Dad for Father's Day, working, training, having birthday parties, planning bridal showers, and being the most dutiful matron of honor to my best friend Brina that I can be, there hasn't been a whole lot of time for building. But, with some very special new building friends, I am so proud of ...

I want to welcome you to the world of New South Classics Old World and European House Plans. Our plans have captured the "classic" styling of homes from around the world many years before other house plan sites ever mentioned the word "classic". Now, you see every house plan site using the modifier "classic" for everything they do because it has become popular.
