### **Our Little Known Southwest**

This was the aircraft type that was involved in the Ethiopian Airlines Flight 302 accident that occurred on March 10. Any time there is a loss of life it is tragic, and our hearts go out to all those affected. The accident is under investigation, but very little is known days later about the cause, and that is a concern.

Once a train stop and a sleepy "Professorville" for Stanford University, Palo Alto's profile and cred took off like a rocket beginning in the 1980s, as both Stanford's prominence and Silicon Valley's fortunes exploded. Today, think twice before passing a parking spot in the town's thriving downtown; this almost-perfect town is always a hive of activity.

Southwest Colorado is a hard place to get to, but well worth it if you make the effort. The best option, in my opinion, is to fly into Durango, Colorado if at all possible. Durango is a small regional airport, but offers daily flights on American/US Airways to Phoenix and Dallas or United to Denver.
