Your photo essay should include at least one portrait. Capturing an emotional expression or telling action shot can effectively humanize your story. These photos often evoke strong emotions and empathy in the viewer (whether it is a positive and enthusiastic emotion, or a sympathetic and concerned emotion.)

Rugby on the other hand doesn't require anything but a mouth guard. Over and over again almost all players from a rugby team endure endless amounts of pain just during one game. In football it's a bad day when more than three players get injured and even then seventy percent of the time its

nothing to serious.
