**Resume Writing - Skills and Accomplishments, Lesson Plan ...**

The absence of achievement isn't an indication that a child lacks ability. Some gifted kids may not be interested in achieving either - at least not in the kind of achievement required in school. They may be internally motivated, which means that they aren't motivated by outside rewards like high grades or awards.

**Achievement Versus Ability: Why One Isn't a Sign of the Other**

Note: Citations are based on reference standards. However, formatting rules can vary widely between applications and fields of interest or study. The specific requirements or preferences of your reviewing publisher, classroom teacher, institution or organization should be applied ...
