The Eagle, Ben Franklin, and the Wild Turkey. A year and a half after the Great Seal was adopted by Congress on June 20, 1782 – with the American Bald Eagle as its centerpiece – Benjamin Franklin shared some thoughts about this new symbol of America in a letter. He did not express these personal musings elsewhere, but they have become legendary.

Turkey and Eagle: Ben Franklin Compares as Symbols of America

The older woman is prey to many ailments, not the least embarrassing of which is sporadic size changes due to water retention. Alstons, famous manufacturer of rubber corsetry, which was surprisingly popular in Europe in the 1960's (and in Latin America today), marketed a corset with two front panels: a thin one, and a wider one to accommodate weight fluctuations or simply the desires of comfort.

The most interesting and influential thinker in the fifth century was Socrates, whose dedication to careful reasoning transformed the entire enterprise.Since he sought genuine knowledge rather than mere victory over an opponent, Socrates employed the same logical tricks developed by the Sophists to a new purpose, the pursuit of truth. Thus, his willingness to call everything into question and ...

Prime Minister Narendra Modi has refused to yield to populism on farm loan waivers, during the course of a wide-ranging television interview on the first day of the New Year. This is welcome. But it also makes it imperative to come out with a non-populist alternative to rural distress that has been ...

The hard truth on farm loan waivers

Take one look through Jenner's Instagram feed and you'll see she never sticks to one look for long. "I've just had this addiction to changing my hair. It makes me feel like a new person," she wrote on her website in 2015. But how does she go from a mint green bob one day to back-sweeping, jet black hair the next without going bald in the process?
