pixabay. I feel sad for them because they'll never know about summers spent climbing trees; they'll have almost no stories about the chalks they stole from their classroom to draw lines while playing stahpoo, and no memories of the silly jokes cracked with friends after a very competitive game of pithhoo.

Take just ten minutes to walk around Iceland's picturesque capital city Reykjavík and, almost immediately, it will become clear that this little island was once home to the fiercest bracket of ancient warriors ever to have taken to the high seas. I speak, of course, about the Vikings.. More often than not, hotels and guesthouses will sport a logo portraying a thick-haired, horned-helmet ...

The Pentagon wasn't built that way for any defense reason — in fact, it's not even a regular pentagon. It was designed to fit nicely into the empty field between five major roads, but then later there was some reason why they had to build it somewhere else, I think it was too close to some city or something.

### **25 Hilarious Historical Facts You Won't Believe Actually ...**

the only thing I hate about reading fanfictions is that I can practically make the most weirdest and silliest sounds and faces ever and people would look at me like I'm some sort of an unknown species.

Speaking patois in Toronto is kinda the same that it is in London, in that it's rooted in the culture of certain areas, regardless of race. To put it in your terms, this would be like a D-level cockney actor who all of a sudden started acting like they were from West London and they were always bout dat grime ting life when in reality they grew up middle class.

Note- Hi everyone! This is a oneshot I've been working on for awhile, it takes places a few months after "Misguided Development". Title credit goes to Carly, and a huge thanks to her and Line for all of their help with this :). Val awoke with a start to the soft sound of his phone vibrating on his bedside table.
