In nearly ninety A-Z entries, "Transcendence" provides a multilayered and often witty look at the accelerating advances in artificial intelligence, cognitive science, genomics, information ...

Transcendence: The Disinformation Encyclopedia of Transhumanism and the Singularity

"The team found that people with two copies of these particular variants - one in over 1,000 people in the UK - were on average 2.5 kg lighter than people without the variants and had a 50 per cent lower risk of type 2 diabetes and heart disease."

Transcendence: The Disinformation Encyclopedia of ...

Transcendence: The Disinformation Encyclopedia of Transhumanism and the Singularity is a new book by former h+ Magazine editor R.U. Sirius and Jay Cornell that will bring transhumanism to the masses. The title might be confusing; this isn't just a book about spirituality, but is an encyclopedia of short articles on a wide range of topics related to transhumanism.

Review: Transcendence - The Disinformation Encyclopedia of ...

Some of this is happening now. Some it is still in the minds of dreamers. In nearly ninety A-Z entries, Transcendence provides a multilayered look at the accelerating advances in artificial intelligence, cognitive science, genomics, information technology, nanotechnology, neuroscience, space exploration, synthetic biology, robotics, and virtual worlds that are making transhumanism a reality.

Transcendence: The Disinformation Encyclopedia of Transhumanism

"Transcendence: The Disinformation Encyclopedia by R.U. Sirius & Jay Cornell sounds pedantic, but actually REEKS WITH WICKED HUMOR." - Paul Krassner "Being of the same energy field as myself, I now throw a sack full of gold dust into the arena and dare anyone to be either funnier or smarter than this R. U. Sirius."
