Grade can be both a noun and a verb. The verb form is used when you grade something, meaning you assign it a value. The actual mark assigned is the noun version of the word grade, such as an A or B. The noun grade can be used to indicate the rank or quality of other items as well, like professional-grade cookware. Grade can also describe the slope of a mountain or road, like a steep grade that ...

A child's vocabulary can be expanded through repeated exposure to new words and by thinking about word meanings. We've found apps that engage young children in crossword and Scrabble type games. Other apps focus on specific word meaning skills by highlighting word opposites, synonyms, and homophones. Many of the games can be played together or side-by-side.
